“ It seems like just yesterday that Diane and I talked and joked with Ermil and Sue one morning after my Heart rehab. It is unbelievable that he is gone and I know he will be missed. My heartfelt sympathy to the family and my prayers go out to all of you. Sue if there is anything that we can do please don't hesitate to call.

“ Ermil & Sue were like a second set of parents to me, and Missy is my "big sis." I spent many days and nights at their home growing up, and I am so blessed to have been an extended part of the family. I will always remember the days I spent with them in my young years, and the times we visited as I grew older. I was even privileged enough to snap a pic sitting on Red! I love and will miss him. Whether it was having a meal, playing dress up with Miss, catching up on a visit home, or laying in the floor playing with Ermil and Tina when I was little, I will always remember him as the kindest, funniest man I have ever known. I knew how much I was loved by them and they by me. While I wish he were still here, I know he is at peace. It is with great sadness that we say goodbye, but it is with joy to know Ermil is in heaven as God's funniest angel, and he is watching over us. With love, Amy Feeler

“ We are saddened to hear of Ermil's passing. He will be missed by all who knew him. He was a wonderful neighbor to my mom and dad (Ralph and Thelma Libhart). They now have a new joy with Ermil's arrival with them in heaven. They are already laughing for sure and in total peace.
