“ Judy was a very loving and giving person. She loved everyone and everything she came in contact with. I know she is with my sister Elsie Cameron. When you saw one of them you saw both of them. They was always there for each other. Judy passed away 4 months and 4 days after Elsie. When Judy came to the hospital to see Elsie, even though Elsie was in a comma, she leaned over her and said, "You just have to do everything first don't you?" And then she laughed and kissed her. Judy will be greatly missed. Mary Hogue
