Nancy G.(Lackey) Major of Salem, Missouri passed away on Monday, October 31, 2016. She was born April 11, 1939 in Newport, Arkansas. She was the youngest of seven children of Ambers and Bertha Lackey. Her younger years were spent on the family farm picking cotton and going to dances whenever possible. She joined the Army in 1957 at the age of 17 with Amber's' permission. Her basic training was at Ft. McClennan, Alabama before being stationed in Germany for the rest of her military career. Afterwards she went to work for IBM as well as numerous other occupations. On January 5, 1974 she was united in marriage to Bobbie Major at which at this time they combined families and started their life together. She loved her family and friends. Sometimes when asked her advise, she was straight forward and honest in what she thought whether welcome or not but she was always there if you needed anything. Her love for animals lead her to becoming a Missouri pet breeder until this last month when her and Bob chose to leave the business. She will be greatly missed by her children, grandchildren, family and friends. We were truly blesses to have someone so unique and special in our lives. “ To each member of the Major, Marlin, Mounce, and allied families, I extend my prayers and thoughts to each one of you. Nancy was a very nice, outstanding person. She will be missed by her family, friends and all who knew her. "Another one from us is gone, a voice we love is still; a place is vacant in our midst that never can be filled". May God strengthen and comfort all of you.
