“ *My memory of Aunt Ruby goes way back when my son, (44 yrs. old now) was a baby with the worst colic & crankiness you could ever believe! I,nor anyone else that day could satisfy him at this bridal shower except for Aunt Ruby! She cuddled him on her lap and rocked him to sleep in her arms. "We all could sigh a few moments of peace". I loved Ruby and was always given a big hug anytime I was near her. She was a loving Aunt, Great Aunt, Mother and Grandmother, Wife and everything else. I know she is at peace now just like that day a long time ago. I will remember and miss you always!*
