

Amanda Malone

April 30, 1973 - February 16, 2024

Amanda Malone passed away peacefully surrounded by her loved ones, in the St. Louis University hospital February 16, 2024, at the age of 50. Amanda was born in Tampico, Mexico on April 30, 1973, to her loving parents Macario Hernandez Cervantes and Juana Gamez Godinez.

After graduating high school, Amanda pursued one of her passions which was cooking and baking. She attended two years of culinary school, where she received her degree in Culinary Arts, specifically she loved the pastry side of the course, and loved to prepare pastries and desserts for family and friends. For many years she worked in the food industry as a waitress, working at many area restaurants. Her customers that knew her have countless stories of how much they loved her and that her smile could light up the whole room. It was that smile and loving personality that caught the eye of Mr. Barry Malone, and the two were married June 21, 2018. Barry and Amanda had a loving marriage and cherished the companionship and friendship that they brought into each other's lives. She was a very proud mother to her three children and was grateful to be made a grandmother to four grandchildren.

Amanda was known for her compassion and willingness to care for others. This was seen in the love and attention shown to not only her close family but all of those around her. If a helping hand was needed, she was there to lend it. Amanda loved getting to meet and know new people and was known to have never met a stranger. Although she will be truly missed, all who knew her are able to say she has left them with a smile and kind memory to remember her
