“ *Audrey Callen will always have a place in my heart. When she was a counselor when I was a student at Newburg high school. She helped me through so much. She always seemed to have a way of making me make the right decisions for myself. In our conversations some how she always knew what I needed. She never knew she helped save my own life, or maybe she did, I don't know. All I know is I really loved her. She was the best. She will forever be missed.*
