“ Bonnie was a wonderful lady and friend to everyone. She met no stranger. She was a great story teller as she shared many of her personal stories about life. She was a role model in my eyes for a mom everyone would want to call their own! She will be missed by all who knew her. I will miss sitting on the lake porch visiting with her in the morning as the Summer sun warmed the lake yard as Molly and Sadie ran through the porch and yard chasing each other.
