“ *My favorite memory was while working the weekend shift at Walmart in Menomonie. Brad asked if I wanted to join his NASCAR fantasy league and he didn't realize how closely I followed racing. Well after many weeks of competition and laughs I pulled off the win! Brad always had a smile on his face and found a way to make work fun! Another great person taken way to soon. In your honor Brad- Danny, myself, and Jody Tilseth shared a memorial donation to Phelps Animal Rescue. Prayers and Condolences to all your friends and family.*

“ *Just shocked by this news , I had so much fun growing up with Brad. Booty was such a happy go lucky guy and was always a good friend. Not a mean bone in his body like a teddy bear - The world will miss him for sure ! Still just so hard for me to believe and makes me wish we would have stayed in better touch over the years. My heart goes out to Virginia and Corina, hope there is comfort knowing that as short as he was with us he was a great human and all around great guy!! RIP Booty Your friend, Slick*

“ *Oh Brad, There are to many good Memories to name just 1. All the good laughs, good Stories and many great text messages , But none as great as the day I wore 2 different shoes to work and you and Amy not so politely pointed it out to me and then you told everyone you could.
