

Brady John Snelson

February 15, 1995 - August 12, 2020

Brady John Snelson of Rolla, Missouri passed away on Wednesday, August 12, 2020 at the age of 25. Brady was born in Rolla, Missouri on February 15, 1995, a sweet, spirited, red headed baby boy, born to Greg and Tommi (Woolsey) Snelson.

He was a Rolla High School Class of 2013 graduate, where he excelled at sports. From an early age Brady played football and baseball. Although his greatest sport was wrestling with his little brother, whom he lovingly nicknamed "Trey Savage." Brady loved his brother so much that he had "Trey Savage" tattooed on his arm, this meant so much to Trey.

Brady loved hunting and fishing with his dad, and papaw. He was a third-generation carpenter, and really loved his trade. He would say many times "it was in his blood." He took great pride in his work and loved working for Brock Meadows, whom he respected greatly. He was a remarkable young man. His witty sense of humor, irresistibility, his sympathy and compassion to everyone in his life including strangers, and willingness to help others will never be forgotten. The appreciation and devotion that he showed for his family was unparalleled to any other. His legacy of love, charm, and benevolence will live on in the hearts and souls of his family and friends forever, and that laughter – infectious! Brady attended the Core program in Branson, it was during his time at Core that he found Christ through the 12-step program and was saved.
