“ At the time I was very young and didn't know the real meaning of an Aunt. My Uncle her husband introduced her [Aunt Brenda} to the family in Richland Mo as I recall. I could see the caring in her eyes and the feel the love for our family as a whole. She would light up a room with her laughter and spunky attitude. The whole family loved her and I felt special around her. They took me in to their home for the summer's several times even when times were tuff for them. I got my first allowance from them, 25 cents a week, I was on top of the world. There is a empty feeling in my heart at this time but knowing how she would of wanted us to remember her is to live on and be the best person to ourselves and treat others with love. She deeply believed in God the Father almighty in her own way. You will never be forgotten in our hearts.
