

Brian Philip Jungferman

December 24, 1982 - June 4, 2022

Brian Philip Jungferman of Rolla, Missouri passed away on Saturday, June 04, 2022, at the age of thirty-nine after a three-year battle with colon cancer. He was born on December 24, 1982, in London, England while his father Donald was stationed there for the United States Air Force.

Brian was united in marriage to Ashley Foster on June 17, 2008; this union was blessed with two beautiful daughters, who joined Brian's older son Brayden. Brian's children were the light of his life.

Brian earned his bachelor's degree and worked in retail management until his health no longer permitted it. His spare time was always spent with his family; together they enjoyed travelling, as he always had a sense for adventure and wanted to show his children the world. He played golf with his parents, father-in-law and was teaching his daughters how to play the game. Football season was always his favorite time of the year. Sundays were spent watching games with his friend/brother-in-law, Kyle Foster; he never gave up hope for the Miami Dolphins to make a comeback. Brian was a loving husband, father, son, brother, uncle, and friend who will be greatly missed by all that knew and loved him.

Brian is survived by his loving wife of 14 years, Ashley Foster Jungferman of Rolla, Missouri; children, Brayden (19), Bailey (12) and Alaina (8); parents, Don and Sherri Jungferman of Mountain View, Missouri; brothers, Donnie (Robin) Jungferman of Alabama and Trey (Nicole) Spencer of Iowa; father-in-law, Keith Foster of Rolla, Missouri; brother-in-law, Kyle (Adrienne) Foster of

St. James, Missouri; sister-in-law, Shelby (Daniel) Dozier of Panama City, Florida.

A Celebration of Life will be held on Friday, June 10, 2022, from 4:00PM until 6:00PM at the Rolla Chapel of the James and Gahr Mortuary, Rolla, Missouri.

“ *Brian will always hold a special place in my heart. Brian and his family were our neighbors and best friends on Shaw AFB. When Brian was younger, he was our babysitter for our 3 girls. One evening we came home a little early and found him sitting in the living room floor with our youngest in his lap and the other two girls putting every barrette they had in his hair. They had pretty much emptied this huge butter bucket and clipped them in his hair.*
