“ *Marie was great friends with my grandma- Lucille Holman. I looked forward to seeing her and hearing her stories of the many nights of dancing her and grandma spent together, and the fun they had working together at the coat factory. Getting a hug from her was like hugging grandma and always made my day. She figured out quickly that I knew her when I pronounced her last name correctly. She was a good friend and a blessing to know. Thinking of you all- Caroline Holman Stevenson*

I am so glad my mother and I got to visit her in St. James in September. It was wonderful to give her a hug and tell her we love her.

Now the Donati clan is in Heaven hopefully feasting on homemade ravioli. While happy for them being together again it is indeed sad for those of us left behind.

Rest in peace Aunt B - we love you!!!
