“ *I remember Carmen as a sweet childhood friend. Her grandmother, Elizabeth Hamilton, was a friend of my mother. I remember play dates at her grandma's house. I have memories of several birthday parties with Carmen especially 11-22-63, a solemn day. I remember seeing a movie with her at the Uptown in Rolla, MO. A John Wayne movie and we got scolded for talking during the movie! I always looked forward to spending time with her as a child. I'm sorry to have lost touch with her over the years. And, I'm sorry to learn of her death at such a young age. She will always be young and spunky in my memories.*

“ I just heard of Carmen's passing. It breaks my heart to hear she is gone so soon. I worked with her at Citi for 12 years. She was someone i talked to a lot about parenting (I was a young mom) and she would give me advice. She would always tell me about her "Gator" and how proud she was of her.
