

Chandra Denise Moffet

June 19, 1980 - May 28, 2023

Chandra Denise Moffet was contagiously joyful. An adventurer without fear. The loudest one in the room. Aiden's first and greatest cheerleader and the biggest supporter of protecting and launching Avery's spunky individuality. Chandra lived life to the fullest and was taken from us tragically on Sunday, May 28, 2023 in St. James, Missouri at the age of 42. To truly measure her years you'd have to measure the amount of love she poured into her family, friends, youth groups, libraries, ball fields, and community. She poured herself wildly and unashamedly into the lives of so many. Our hearts have all experienced her chaotic joy and fierce love. There wasn't a stranger in Chandra's world and much like a magnet, if all the positives and negatives were aligned she connected quickly and found it difficult to let you go. Chandra called everyone into a place of being fully yourself and invited you to live carefree. May we all find moments of living unabashed and proudly unfiltered as we continue this journey without her.

Chandra was born in Farmington, Missouri on June 19, 1980 to Glenda Hedrick. An only child with a rich history of family connections, she was raised in Viburnum, Missouri with close cousins, multiple layers of aunts and uncles, and close family friends.

From sleepovers with cousins as a child to senior-skip-day a few weeks ago, Chandra loved to be surrounded by laughter and adventure. Chandra's reach was far and wide-open. In return she was loved by so many including those

she grew up around and worked with at various churches, daycares, and of course, all those that knew her at Lucy Wortham James Elementary School in St James Missouri.

Chandra is survived by her “along for the ride” husband of 21 years, David Logan Moffet and two amazing children, Aiden and Avery; mother, Glenda Hedrick, of Viburnum, MO; mother and father-in-law, Debby and David Luther Moffet, of Vienna, MO; sister-in-law, Jennifer Brown and husband Billy, of Dixon, MO; and sister-in-law Danielle Carter and fiancée Jeff Kron, of Vienna, MO; special uncle, Everett Hedrick, of Viburnum, MO; special uncle and aunt, Steve and Linda Hedrick of Viburnum, MO; lifelong best friend, Eva Harmon, of Steelville, MO; a host of special cousins, extended family and many friends. She was lovingly known as Aunt Chan Chan to Lilli Forrest as well as many other honorary nieces and nephews.

Chandra is predeceased by her maternal grandparents, Claude and Hester Hedrick and special cousin, Jeremy Dickey.

Family and friends will be received at the St. James Chapel of the James & Gahr Mortuary on Friday, June 2, 2023 from 5:00-8:00PM. Funeral services for Chandra will be held at the St. James First Baptist Church on Saturday, June 3, 2023 at 11:00AM with Matt Forrest officiating. Interment will follow at the Upper Indian Creek Cemetery in Bixby, MO. In lieu of flowers, memorials are suggested and greatly appreciated to the Moffet family. Cards are available at all James & Gahr locations, there is also the Chandra Moffet Memorial Fund set up at Maries County Bank.

“ I got to know Chandra at the ball games this past year. I will miss her smiling face as she worked the games at the ticket table during the St. James HS basketball games and she faithfully worked the busy tournament schedules as well. My sincere condolences to the family! She will be missed by many!

“ There are so many heart filled, silly and serious moments I've shared with Chandra. She cared for not just my two girls but many other children with all her heart. I loved working with her in second grade and she's been such a blessing to our library. Chandra will be missed by so many. I'm blessed to have my memories with her.
