“ My deepest sympathies and condolences to the Cabbage family. Gary was a great guy. I fondly remember his confidence, enthusiasm, joy and comradery. I always enjoyed watching him tee off on the golf course. He had a swing and follow through like Chi Chi Rodriguez. He was so very confident with his swing and so very attentive till the ball hit the ground. It was just like watching Chi Chi Rodriguez. I was always so entertained watching Gary on the golf course. He was so much fun to watch.

Gary was always fun to talk to...I fondly remember the story Gary told of Cliff Gray and him returning to Salem after a golf tournament and the runaway golf cart. It was so funny and Gary had so much fun telling the story. Gary was always so very entertaining.

I extend my deepest condolences to the Cabbage family for both Gary and Peggy.
