“ So sorry to hear of the loss of Charlie and our hearts go out to the family. Charlie and the rest of us had good times in high school and I will never forget his one HHS Class Reunion he and I were both in attendance. Afterward he took me for a ride in his Mustang Convertible as I remember. Had a good time talking about where we started and how far we had come. I wanted to finally take him a ride in my convertible as I have a red 1999 Corvette. Wish I could be there for Charlie's last ride. RIP brother...
