“ The picture you displayed with this obituary is the Bud Bowen I remember . Always a smile on his face. I think back when he worked for Bob McGrath at McGrath/Highland Dairy. He always had time to smile and say hello no matter who you were!

Heaven is became a little brighter when Bud arrived with his smile.

“ My wife and I were saddened to hear of Bud's passing. He delivered propane to my home when I was a kid and I worked in Adam's Supermarket for years while Bud delivered milk. He was one of a kind and I was proud to consider him a friend.

Our prayers are with you all.
