“ *Dallas was the life of the party. Anywhere he went he had a smile, cracked a joke, and was pretty easy going. He was a scrapper when he had to be, a protector when he needed to be, and had a heart of gold. I've got many years of memories with him, and I will forever cherish every last one. He will be greatly missed. My condolences to his family and everyone that loved him. Fly High Love!*

“ *I have known dallas since grade school. He was definitely always getting into trouble or joking around .. He was a friendly funny outgoing person.. Who never seemed to meet a stranger... But what i remember most about dallas is how sweet he was. Especially to girls, really respectful and polite and kind, the kind of boy you could tell had a really good mama. Lol. Same when we grew up. . . also i dont think i have a single memory of dallas where he didnt have a smile on his face. He will be greatly missed. My condolences to the family, and all who knew and loved him.*

“ *The thing I remember most was the first encounter with Little Dallas / Big Man. I don't think he was more than 3 yrs old, he had seen the boys and decided he wanted to be friends. Well he came over to our house as it was only maybe 75 yards away and he didn't have to cross the street. He walked up as my son was on the side walk and kicked my youngest right in the shin. After that they became the best of buds! I started babysitting them when Mom & Dad were working over nights. He was a very loving child. He was very active too, when I would go home in the morning I would be like I wish I had half his energy. You will be missed Dallas. We all loved you. Be good to the Lord and he will be good to you. Big XXXX's long over due. from The Mowery's*
