“ *I can still remember the first time he came with Deb to look at his apt , smiling and I invited them in while they were waiting. I also remember seeing young Helen bouncing down the sidewalk to see grandpa after he moved in seems like just yesterday. And as I saw her grown to be a young girl who drives he couldn't be prouder of her . I will always remember his laugh and see his smile. I will miss you my friend . And your little buddy looks for you everyday. Until we meet again.
