“ When I was a girl she and her husband, Paul, lived with Paul's family just across the road and down a short way. Her first two children Danny and Connie were born there. She would come visit with Mom about every day and we got to play with the kids which was a treat for us. I have good memories of her. Then when Mom's health had deteriorated to the point she needed care, Della was one of the care givers. She was a competent and compassion care giver.

“ I'm sorry to hear that Aunt Della has passed away, I hadn't seen her since 2012. She seemed to be in good spirits and health. She was in the good part of getting older and ws fine with it. You were a good woman,mom, and wife too. I'm glad you're in no more pain. R.I.P. Aunt Della we will miss you.
