“ Dom was a great and responsible young man. He was always so kind and respectful. He was so loved by many. He was the one who helped me overcome my fear of snakes because he had them as pets. He volunteered to help us pick up the lechon (roast pig) we ordered from St. Louis. He took a day off from work just to pick it up and bring it to our wedding venue on time. He was someone, people can rely on. We can't believe he's not here with us anymore. His life was taken too soon. It was just getting started. I can't fathom how much pain his family are going through right now... We miss you immensely Dom! Fly High Nephew! We love you -Phel, Dante and the girls ❤️

I am terribly saddened by this tragedy. I understand no words can help at this time however I hope these words contributed from people who care can help ease some of your pain from losing him so suddenly at such a young vibrant age. Jersey, I cannot fathom the heartache you are going through. I've never heard anything but kind words about Dom, this is literally sickening. Keep him alive by the great memories you have of him and hopefully this will help you through this tragic time. Hugs to you all, my heart is with you.
