“ *I went to school with Evelyn. She was a very sweet person. Knew her brother Ed. Great family. I had lunch with her one day downtown. Hadn't seen her for years. It was a good visit. I will miss her.*

“ I would visit Evelyn, and family, she lived next door to me and my wife. I would bring her and her family home made breads, rolls, sometimes a sugar free pie or cookies, at Easter and Christmas, and a couple small gifts at Christmas, i would see everyone's faces light up, i saw and felt the joy that it brung to them, i was glad it lifted their spirits. We would talk a few minutes about family, friends, what is going on in their lives, and most importantly about God's love for all of them. I prayed many times with her and her family.

Evelyn was always smiling, she always had something good to say, if it was about the weather, the birds flying around or even her pets she owned. I enjoyed talking to her. She was an inspiration as well as her whole family. I love you all in Christ, i will miss the visits, the laughs, and the good times we shared. Rest in Peace now Evelyn, with your family in Heaven. We shall all be there on that golden shore because you, family and i, we all believe in our hearts that Jesus Christ, His Grace and gift of Salvation through His death, shedding of His blood for our sins, His burial and resurrection and He will wipe away all our tears forever. Amen.
