“ I went to school with Frank. There never was a dull moment when he was around. He sat behind me in Mrs .Copeland 9th grade class. Got a few detentions courtesy of him making me luagh at some of the goofy stuff he would do during class but he was pretty good at not getting caught by Mrs. Copeland.I am so sorry for your loss . some of my best memories from high school he was a part of. RIP Frank , you will definitely be missed.
