“Gloria loved worshiping God! She loved studying her Bible and being with other believers. She was always open to being prayed for. She said she had joy because she knew she would be with Jesus soon, and able to move freely once again. I look forward to seeing her in heaven when it's my time; and I know she wants salvation for all of her friends and family so that she can be with them for eternity.

My Dearest Go Go,
I will always remember how much love you had in your heart not just us but for so many others!! We spent hours creating and crafting. It was amazing the the patterns you would create out of scratch! I just so loved the days spent in the "Rose Room" I truly felt like a princess!! You told me I was a true princess because I was a daughter of the one true King!! Jesus!! From hair scrunchies to scriptures we had so many conversations!! My most treasured memories were the moments spent praying together. It was from the smallest ordinary day events to the big emotional spiritual prayers!! It was so special to me!! I know you are in Glory now, without pain and I know we will be reunited again but until then I will hold the memories deep within my heart and share your contagious laughter with everyone I meet!! I love you Aunt Go!!!!!!
