“ *She wasn't my biological Aunt but always called her "Aunt Hank". She was the only one that came to our wedding. Not going to get into why but it meant a lot to me that she and Uncle Hermann thought enough of us to come when others either were told not to come or didn't come. She always told me a story of the "good old days" when I lived in a 4 family flat with her sister, Aunt Dell on the first floor and us on the second. Love you Aunt Hank.*
