“ Eloise and family, I'm just now hearing about the loss of Henry. I loved him coming to see us and telling us stories of how we were related. Wish I had written it all down so I could remember it to this day. You both always were a ray of sunshine when we would come to the restaurant to see you and be with you and then whenever you came to the house. Our love and prayers are with you. Rest in peace Hen....we will meet again someday. Love you all, Sandy & Gene Grise.
