“ *To all of the family, I am sorry to hear of the death of a very special friend, Isabelle Fenton. I am sorry that I can't be with all of you but I have ALS and I can hardly get around. She was a very special person. All of you are in my thoughts and prayers and I wish I could be there with you.*

I wish that everyone knew how much you loved me and Tim, after he got sick and passed away, you would have been beside yourself, with the sheer amount of hate so sorry that after you passed, the colors came out, and they were full of hate, Mom, I love you and miss you so much! I know that someday, I will see you again, sorry this took so long to tell you, I love you very much, Mama, per sempre! Donn a Jean.
