“ *As twig on the branch of the Wooliver Family Tree, I would like to send my condolences to Jessie Wooliver's Family and Friends. My Cousin Eunice Turner of Salem called and told me I had a family member pass away. I will be honest, I dont remember if let Jessie...but the thruth being the Wooliver clan from Dent County has certainly has had the opportunity to be huge through the decades by way of Robert Wooliver and all the surviving children he had between the three wives he had in his life time!! Robert Wooliver & Eliza Strickland Wooliver were my Great Grandparents. My Grandparents were Bud & Avis Wooliver from Howes Mill area.*

So, when I know of or hear of a Wooliver...I generally know we have to be related somewhere down that Family Tree somewhere when it relates to being from Dent County :-) But most of all during these difficult times when one is saying "Goodybye" to Jessie....remember, he is saying "Hello Again!" to everyone who has gone on before him and is meeting a second time!
