“ *I just learned of John's passing and am very sorry to hear of it. I served with John in the 2nd MOB at Sembach AB, Germany and have seen him over the years at 2MOB reunions. John and I also spoke on the phone over the years. He was proud of his service but not half as much as he was proud of his family. I know he is missed by his family and I miss him as well. Rest in peace John.*
