“ *I remember my Uncle Jon doing so many things with my sister Fran, and sometimes with the boys John and Dennis as they got older. All of these memories are also connected with Aunt Sue. We saw our first indoor movie with them, it had air conditioning! Staying at their apartment was always special, we had a lot of fun. I remember going to the Highlands amusement park when I was little, I loved the rides. I remember Uncle Jon most for his tall tales. Like when I was about 10, I spent 2 weeks with them in Miami. They lived close to the airport and he told me the pilots used to come off the plane to the house for a cup of coffee. There were many other stories, and most had to be taken with a grain of salt, but they were funny. I will miss him a lot. Love and prayers to Aunt Sue, Amanda, Jacob, Aunt Pat, Uncle Gene and all the family. Patti Clayton*
