“ So many good memories it's hard to pick just one..many camping and float trips, going to her parents clubhouse. She was a great cook and made the best Ceaser salad I ever had. Vacation in California at her house, going to Mexico with her for my first time..I was a little younger so she was a person I looked up to and learn things from her that I still use today. She was a great person inside and out. Love you Kathy!
