“ Kenneth was such a sweet soul. The kinda man who would sit there quietly then chime in with some quick wit and a giggle. Kenneth loved his family and was very proud of them. He also loved his farm and we were honored that he shared that with us. I will greatly miss this mountain of a man. Fly high Kenneth!

“ Kenneth was such a sweet soul. The kinda man who would sit quietly then chime in with some quick wit and a giggle. If you had a chance to sit and visit with him he had lots of stories to tell. He loved his family very much and was proud of them. He also loved his farm and we were so honored that he trust us enough to share it with us. I will greatly miss this mountain of a man. Fly high Kenneth!

“ *I can see you and my dad and all the other usual old outlaws sitting around the table on the back porch. Oh how you all are missed.*
