“ Kim and I have known each other and have been friends for 25-plus years. More on the plus end.

Our friendship was like a roller coaster, up and down. We laughed, cried, fought, and butted heads. We always came together..

I will remember Kim as a beautiful young woman. Whenever she was out and about, Kim had her makeup on, matched her clothing, and jewelry . Of course, carried one of her many purses.

Kim was not only a friend of mine. She is a daughter, mother, grandmother, and wife of a wonderful man. They are a couple not only in friendship but love. I would tell her she had a good man who loves her. She would grin and quietly say, "I know."

Kim was also proud of her son Kaleb, the man he is today.

Kim wanted to ride out with Dave and myself to our winter destination, AL, to see what AL had to offer. Kim had 2 fears. One is away from Johnny for such a length of time. The other was her fear of flying.

My dear friend, you will always be with Johnny . She will always be with her mom, son , grandchildren, family, and friends.

Kim, you no longer have the fear of flying. You are flying high on Angels wings and in the most sacred place, at peace with GOD and in the arms of Jesus.

Hard as it is to see you leave. I know we'll see one another again..

It's been an honor to have been your friend. You will always be in my thoughts and in my heart. I love you girl!
