“ When I was a kid, Laney was the one who took me and my brother fishing frogging and hunting. I look back at alot of the things he taught me Like how to sneak into to a pond to fish . LOL. While it would make me mad sometimes, the one thing that could always be said about him was he always told it like it was. He didnt have time for excuses, and he wouldnt accept anything but your best effort when it came time to work. I cant remember a time when I didnt know him, and because of influence he had in my life, I will never forget him.

Rest in Peace my friend.
