“ *Janet & family,
I am so-so sorry for your loss.
I worked with Larry back in the Office Depot
days. Early 1990's
I was just telling several Office Depot friends
about Larry Cornelius passing on 8-26-21, now I'll be letting them
know about Larry Rapp, both worked at the Overland store at the
same time.
Please except our condolences from everyone that knew Larry at
Office Depot.*

were truly my brother for life...

“ We are so sorry for your loss. Our hearts and prayers go out to you. Thanks for being a great friend and brother. 40 years ago I had the privilege of having you in my wedding, and you helped make it happen by providing 7 tuxedos. To many more memories, as Sigma Nu brothers. all our Love.

“ One of finest men I've ever known. I just wish we would have seen each other more. I am so sorry Janet, we just found out today. Both of you have been in our hearts and thoughts for the 40 years since we got married. When Larry helped that to happen by providing 7 tuxedos and being in our wedding. Of course my memory goes back further to the days Sigma Nu. Especially one night when several of us ran out of gas and walked for miles. Our hearts and prayers to all of you. I really thought of Larry as my brother. Love you Janet!

“ Janet, I am so very sorry to hear this news. You and your family have my deepest sympathy. My sympathies also to Patrick and Tex. I had a super fun conversation on the phone with Larry not too long ago when I believe one of your sons bought some property on the Huzzah. It was like we picked up right where we left off many years before that. Oh wow, we had a lot of fun back in the day. Larry was just a great person to be around, with a great sense of humor. Nothing but fond memories of a kindred spirit.

“ As Larry’s cousin, I remember the fishing trips to the Huzzah where I and my sons spent wonderful days and nights with Larry and our other cousins sharing stories and having lots of fun. Larry even went out of his way to give Ryan, my oldest son, a gift for his high school graduation. I am sure Larry had a wonderful impact on many throughout his life.

“ I am sorry to hear of Larry's passing and pray for our Lord to wrap his arms around the family. Larry was my DM and we had a rough start together. Over the years I learned that he pushed people to be the best they could be. I know he made me a better manager and a better person. I had the honor of getting to know him on a personal basis and am a better person for it. He was a definite positive influence in my life. David Walter

“ To our country neighbors, we are feeling the sadness as if our name were Rapp also. Larry set the bar high and we strive to mimic what a great man he was. I’m so happy I was lucky enough to know him. So sad and pissed about how this works!

“ I am sorry to hear of Larry's passing. I worked as Larry's District Secretary for 12 years, in Lee's Summit, and he talked about his family so often it felt like I knew all of you. Larry was a great boss and man, he was always encouraging, supportive, valued my opinion, appreciative, thoughtful and understanding. I left TJ Maxx right before he retired because i wouldn't imagine having a different DM than Larry. He saw me through Grad school, two kids and allowed me to make my schedule as necessary to accommodate all of the changes in my life. He always believed in me and wanted me to succeed. There were many laughs over the years and many adventures in opening new stores and managers meetings. I will never forget all he taught me and what a great person he was to our District team. I am sorry for your loss. Thinking of you all.
