“ *To the family of Linda:*

I am so sorry for your loss. Linda and I were friends as children. I wish I could have attended the funeral but I did not know about her passing until today. My thoughts and prayers are with you especially her mom (who I grew up around) and her sons. My strongest memories of her are from our time together growing up and attending Woerther Elementary School, Selvidge Junior High and Lafayette High School. When I think about her I always see her as a young girl riding a 4 wheeler. Blessings to her and to all her family and friends.
