“ *Ralph and I are very sorry for your loss. Thinking of daughter Kelly and her siblings today. Your dad touched many people's lives during his lifetime of 83 years. He wore many different hats and did it very well. He was a farmer, contractor, businessman, husband, father, grandfather, brother, and friend to many. I think the hat he enjoyed wearing the most was that of a family man, and he will live on through the legacy of you kids. He will be missed but not forgotten.*
