“ *Very sorry for your loss, it's been a long time but still think about you guys. Mom asked about Millie within the last 2 weeks. She said at the time she was such a nice lady. My family will all be saying prayers for your family. My heart goes out to you. Bobby Seifert*

“ *I'm sorry I wasn't able not able to attend due to my health, the celebration of my favorite Aunt Millie. We were very fortunate to be together during our family reunion this year and it was so good to see her. She always had that smile positive attitude and positive things to say about everybody. So intelligent and honest when she spoke about all of us. I know my cousins will really miss her and so will I. But I know she's in a better place with her great partner, my Uncle Bill.*

“ *Very special and endearing memories of spending time with my siblings at Aunt Millie's and Uncle Bill's home in Ferguson, MO.....and it seems that Aunt Millie was ALWAYS in the kitchen, hard at work! And her work was delicious!! She smiled not only with her mouth, but her eyes had a special sparkle in them too, and that is something I will always be able to envision! And she always seemed to genuinely happy to see us whenever we got to see her. Aunt Millie will be deeply missed and remembered lovingly in our hearts always as one of God's special angels here on Earth. Dianne & Nick Walls and Family*
