“ when I was 6 or 8 years old maybe 4, I would always ask Roberta for gum because I knew she caried it in her purse, one time she told me she didn't have any gum but she had some candys, and I said OK, they were called red hots, (and I loved them) she told me she thought she would teach me a lesson about asking her for something every time I seen her , I'll show that little squirt, she said. LOL, from then on she always caried red hots just for me. Ha ha ha.

“ I loved hearing Aunt Bert's stories. She kept us laughing with all of them. My favorite memory of her was when she, my Mom and Aunt Shirley modeled their bathing suits when getting ready for their trip to Israel. Love you Aunt Bert!
