“ I have many fond memories of my parents and I visiting Jean, her mom and dad, and her two brothers in Salem every summer. The meals that Norma and her daughter Jean prepared were great! Jean could keep me in line when I got too rowdy. Guess that she was destined to teach! Jean accomplished a lot teaching Home Economics at Salem High. She participated in many summer Home Ec conventions all over the country. Sorry to say that I didn't visit her in Springfield, MO but we visited on the phone. She had a soothing voice. --Steve Hendricks, cousin, from St. Louis County, MO.
