Norm was a treasure to our Pickleball group. When he and Ingrid first came to play, maybe 5 years ago he use to practice falling on the concrete floor. Ingrid finally had to get elbow pads to protect him. Norm always brought joy to our game with his upbeat attitude and coined the phrase when the game was tied with a shout of "Whatssup". Those of us that knew him promise to keep that alive in his honor. We will miss you buddy but your spirit and enthusiasm for the game will always be alive. Ty and Diane Richards
