“ *Mom would call me wanting me to go to church with her . Then to one of her favorite eating places Cracker Barrel . Two of her favorite shopping places , was Christopher and banks and Macy's .she didn't like spending money on food much . She would complain about spending 100.00 at Walmart . But she would go to Macy's and spend 60.00 for a sweater and in the same breathe she would tell you how much she saved . She's in heaven with no more pain . But I am grieving today . RIP mom I love you infinity.*
