“ *I'm so sorry for the family's loss . I'm not sure that I ever met Patsy, possibly in school or a family get together many many years ago. Her mother, Pauline was my grandmother, Ellen McDowell sister. I often heard her name. I wish I would have had the opportunity to have met and talked with Patsy. I've been working on the McDowell family history for years. May she be reunited with her mom and just imagine the things patsy could tell us all. Heaven is our ultimate destination. Cindy*

“ *Aunt Patsy was more than my mother's sister, more than a aunt she was also a close friend that I have many memories to cherish. We played coed softball together she played first base and she always hated when the ball was hit to me either in left field or 3rd base. She told me she closed her eyes most times but knew it was going to be where it needed to be but knew it was going to sting . Playing cards and cutting up were also alot of good times. No more pain no more struggles RIP Aunt Patsy til we meet again I'll miss you and I love you.*
