“ *Gary Cabbage and family...I want to offer you my deepest sympathies and condolences. I always remember Peggy as being very nice and upbeat with a snappy sense of humor. She was always very enthusiastic and friendly towards me when I would talk to her in the clubhouse on Friday or Saturday nights. I remember how she enjoyed the golf tournaments. I fondly recall observing how much she truly enjoyed socializing with the rest of the members at the country club. Gary...you and Peggy complimented each other very well. She will be missed. Again...I offer my deepest condolences to you and your family.*

“ Along with seeing and visiting with Peggy when I worked at Adams Market, Peggy helped me get a Judson Young Foundation loan when I needed it most in order to finish my undergraduate degree. I've never forgotten her and have wondered what happened to her. To her family I want them to know they are in my family's prayers.
