

Robert D. Yenzler

July 29, 1935 - March 8, 2025

Robert Yenzler passed on March 8th, 2025. He is much loved by his children, Christie, Glenda and Curt and his grandchildren Chatney (Phil), Ainsley, Kellen and Carolyn. His wife, Carolyn, and his grandchild, Rachael, await his arrival in Heaven. Robert and Carolyn were married almost 50 years and enjoyed an adventurous lifestyle traveling and living all over the United States in their younger years while employed by USGS. He will be fondly remembered by his family with memories of his constant love and dedication to them. The latter part of his life was fulfilled with gardening, traveling to Florida, ELKS and Eagles club membership and fellowship at the First Presbyterian Church of Rolla. Dad, we will miss you but know we will all be together again someday and your greatest accomplishment was that your family always knew we were greatly loved by you.

Memorials in lieu of flowers, can be made to the First Presbyterian Church of Rolla. Memorial cards are available at all James & Gahr locations.
