“ *I miss walking to the gas station with Roger when him and Donna lived on 10th street to get cigarettes, Mt Dew, and I would buy Roger a \$1 lottery ticket from time to time and it would make his day ! Sometimes me and him would jam out to music in the garage at night , Roger didn't have a very good scheduled of any sort especially sleeping at night time so I usually took the night shift when I was there ..(He drank coffee all night long if he could get by with it and smoke his cigarettes) Oh how I Miss him So Much ! Love You Roger !*
