I chose blue for the color of the sky and the ocean, a couple of natures beauty's that will remind me of you. Every time I eat a fresh vegetable or a chocolate cake. Every time I see a humming bird I will think of you. I guess what I'm trying to say is I will always think of you. Rest in peace my beautiful Aunt.

“ *My Beautiful Aunt Rosa. I will always remember your beautiful smile and laugh, you always made me smile. I'm so blessed for all your help with my girls wedding, we had so much fun, for all the wonderful meals you made us, (I wish I would have gotten your sloppy jo recipe) but mostly I cherish our talks. Life will never be the same, I will miss you always and forever in my heart you will stay.*

“ *Rosa will always have a special place in my heart. She was a friendly, outgoing, giving lady who enjoyed life to the fullest. We met at a dance in BSG and I found her to be the best dancing partner ever! We twisted to Chubby Checker and the Isley Brothers for hours on end. She taught me how to enjoy life and made every day special! I will never forget her.*
