“*Rose Ann was a beautiful and nurturing woman. I am so glad to have met and spent some good times in Florida with this amazing family for Tammy and Steve's wedding. Rose Ann and Doug were extremely generous and accommodating during our time in Florida and with talking to Rose Ann I could see how her son Steve turned out so sweet. She raised him to care about people and to have a loving heart. I know Steve well and he is a direct reflection of a beautiful loving mother. I recently had a baby that I yearned to have for years and I received some very nice "home made" warm blankets to wrap my son in. I will cherish them forever and every time I wrap him in one I will think of her... Your loving wife and mother. May you find peace at this most difficult time and may you know your friends have been thinking and praying for you and holding you very close in their thoughts. Hold tight to the sweet memories of her.*
