“ *My heartfelt condolences to the family. Have grown to know and love Gene and Sharon since their move to Missouri years ago. We had lots of fun and laughter. One of my fondest memories was when I decorated her a birthday cake and she wouldn't cut it because it was too pretty. She hated cooking and always bragged on everything I cooked for her, especially cinnamon rolls. She will be missed.*

“ *Sharon you are our best friend and sister! You remain in our hearts until we are reunited again. Your going on before us, leaves us with an un-fillable hole in our life's! Although it is comforting to know you are again with your loving parents, I will miss you everyday until we are together again! Love you for eternity Ted & Terri Kingsley*

“ *To Gene and family... I'm so very sorry for the unexpected loss of your wife and mother. I was absolutely shocked when I heard of her passing, and still am. I know you two had lots of plans since selling your package store and finally retiring, which breaks my heart even more. You are all in my thoughts and prayers.*
