

Tyler Clay Die

February 27, 2004 - May 6, 2022

Tyler Clay Die of St. James, Missouri passed away Friday, May 06, 2022, at the age of 18. He was born a twin on February 27, 2004, in Groves, Texas to David and Heather (Huey) Die.

Tyler enjoyed skateboarding and hanging out with friends. He and his twin brother Hayden owned and managed "Skate or Die" on Pine Street.

"What is there to say when someone goes too soon? We can't predict what his future would have been. We can remember what he was to us and to all that met him. He was the kid that liked to try new things, Tiger Scouts, baseball, football soccer and excelled at track. He was the kind of kid that laughed out loud at silly boy things. He was imaginative, loving, and a peacemaker. He was an absolute magnet for babies and toddlers. They could just sense his kindness. It didn't change as he got older and grew into a young man. Tyler was happy and willing to do anything for anyone to include a stranger. If you ever had the opportunity to meet our son you would never forget him. He just left a mark on the people he met, he had that kind of heart and soul. Our son was not perfect, but no one is. But one thing that I know to be true is that Tyler was loved by so many."

“ *Tyler was very special to me, I looked forward to him coming to my office every day to sign in. He was a joy to be around and he always respected me and I hope he always felt the respect I had for him in return. He would teach me handshakes to up my "cool factor" and tell me about his business endeavors. I was very proud of him and I let him know that often.*

My heart is shattered and I know there are no words to take away your heartache, but I wanted you to know how much I cared for Tyler. His absence is felt and I want to extend my deepest, and heartfelt condolences to your family.
